

ISURU BANDARA

Software Engineer | Angular, Asp.NET, C#

+94 77 920 7293 | isuruekb@gmail.com | linkedin.com/isuruekb | Kandy, Sri Lanka

SUMMARY

Software Engineer with 2 years of hands-on experience in designing, developing, and deploying robust software applications. Expertise in Angular, ASP.NET, and C#, with a strong focus on writing scalable and secure code. Adept at solving complex problems and delivering high-quality solutions within tight deadlines.

EXPERIENCE

Software Engineer

i-Context (Pvt) Ltd | 12/2023 - Present | Colombo, Sri Lanka

- Contributed to the development and enhancement of flagship products, including VAC (Virtual Academy Cloud), TMS (Training Management System), and MTP (Mega Testing Platform), for both international and local clients.
- Designed and implemented a new software application, resulting in a 20% increase in efficiency for the department.
- Leveraged technologies such as Angular, ASP.NET, React, C#, and PostgreSQL, working collaboratively with teams on both front-end and back-end development. Improved application performance and deployment efficiency using Docker and CI/CD pipelines.

Associate Software Engineer

i-Context (Pvt) Ltd | 10/2022 - 12/2023 | Colombo, Sri Lanka

- Developed and implemented a new feature (Accessibility Features) in the company's flagship product, significantly boosting user engagement shortly after release.
- Optimized SQL queries, leading to faster database response times and improving overall application performance.

Technical Officer in ICT

University of Sri Jayewardenepura | 02/2021 - 10/2022

Sri Jayewardenepura, Sri Lanka

- Designed and developed a web-based application for the exam unit of the Faculty of Graduate Studies at the University of Sri Jayewardenepura, which continues to operate effectively.
- Managed the faculty computer lab, overseeing network and hardware infrastructure, and providing technical support.
- Utilized expertise in network and hardware management to ensure smooth operation and integration of technology into academic and administrative processes.

EDUCATION

Bachelor's of Information Technology

University of Moratuwa

2022 - Present | Moratuwa, Sri Lanka

Higher National Diploma in Information Technology

Advanced Technological Institute - SLIATE

2017 - 2019 | Kandy, Sri Lanka | GPA 3.47 / 4.0

Computer Hardware and Networking Technician (NVQ Level 4)

National Apprentice & Industrial Training Authority (NAITA)

2016 - 2017 | Kandy, Sri Lanka

SKILLS

Angular	Asp.Net	C#	HTML	CSS
MVC	OOP	TypeScript	JavaScript	
jQuery	MySQL	PostgreSQL	PHP	
Node.js	Nestjs			

LANGUAGES

Sinhala	Native	●●●●●
English	Advanced	●●●●●

PROJECTS

Sponsorships Management System

BIT Degree Final Year Project

- Angular/Nestjs/MySQL

Exam Results Management System

System for Managing Students Exam Results of the Faculty of Graduate Studies - University of Sri Jayewardenepura

- PHP/jQuery/MySQL/JScrip/Html5

Janaka Tailors - Tailor Shop Management System

HNDIT Final Year Project

- PHP/jQuery/MySQL/JScrip/Html5
